This super-sized cowl is the quintessential quick-to-knit gift made on whopping size 50 needles. You'll cast on and bind off before the day is done.

Gauge

2 sts = 5 inches and 2 rows = 3 inches in St st.

Exact gauge is not critical to this project.

Special Abbreviation

Make 1 (M1): Inc by making a backward loop on RH needle.

Cowl

Cast on 2 sts. Purl 1 row.

Next row (RS): K1, M1, k1—3 sts.

Next row: K1, drop center st, k1.

Bind off. Unravel center st to cast-on edge.

Finishing

Sew cast-on and bound-off ends tog (use finer weight yarn for sewing if desired; otherwise use your fingers to work the yarn through the sts to seam). Weave in ends (use fingers). When wearing, allow cowl to fold slightly, with drop stitch loops to the outside and seam in back. ■

Big yarns are big news this season. Filatura Di Crosa's new Solo 1 Minuto and Ci Piace certainly fit the bill as big yarns. Lightweight and fluffy, these yarns will keep you warm and cozy without weighing you down. With this simple finger-knitting technique, you can whip up the scarf below in a matter of minutes. Note: Hold sideways rib band with RS facing, knit edging running along top and bottom, and button tab at right. Curl top edge over slightly toward you to view back side of edging bind-off row where you will see a string of bumps that look like they form base of a 'V.' To pick up and knit for top of hat, insert needle into these bumps and pull a loop through to form sts. Use smaller needle to pick up sts as they are somewhat tight, then transfer sts to larger needle to work top.

Autumn Afghan Series

Aran Square One Stitch at a Time

By TRISH WARRICK, COURTESY OF RED HEART

This two-part series will introduce you to some new stitches as you build this afghan square by square.

Aran patterns are prized for the rich texture they bring to knitted items, like this amazing Autumn Afghan in four muted shades. It is made of 16 (12-inch) squares. The first 8 squares are composed of three different Aran patterns. The second 8 squares are an all-over texture in a fourth pattern. The stitches are simple to knit and to memorize, and since each square is worked separately, the project is portable until it's time to sew the squares together.

In this first part of the series, we are looking at the Aran Square, and its three Aran stitch patterns. The January issue will finish things off with Part 2, where we'll learn how to work a Rice Stitch Square, incorporate a ribbed edging and finish the afghan.

1. Trinity Stitch

This is a classic Aran stitch that has a lot of texture but is easy to work. Its name comes from the way the little bobbles are formed using a trio of stitches. First, you make three stitches from one (M3 or make 3 stitches), and then you turn around and make one stitch from three (p3tog or purl 3 together).

It's always best to understand the language before you head into a new territory. So before you start, here are explanations of knit abbreviations used in the Trinity Stitch.

Make 3 (M3): Knit the next stitch but do not slip it off the needle. Bring the yarn to the front, between

the needles, and purl the same stitch; return the yarn to the back and knit the same stitch again; then slip the three stitches off the needle.

Purl 3 together

(p3tog): This is done just as it sounds. You insert the needle under 3 stitches at once and purl them together as one.

The Trinity Stitch is worked over a multiple of 4 stitches plus 2. To try it, cast on 14 stitches.

Row 1 (right side): Purl.

Row 2 (wrong side): K1, *M3, p3tog; rep from * to last st, k1.

Row 3: Purl.

Row 4: K1, *p3tog, M3; rep from * to last st, k1.

Rep Rows 1–4 for pat.

2. Little Chain

This is a simple cable-like design of crossed stitches. The stitches cross each other because they are knitted out of order, which is the basis for all cables. Since only two stitches are crossed at a time, a cable needle isn't needed. The chain effect comes from the way the two stitches that are always in back push the more prominent front stitches away from each other and then toward each other.

There are two ways of crossing stitches in the Little Chain for you to understand before you begin: Cross 2 Back (C2B) and Cross 2 Front (C2F).

Cross 2 Back (C2B): The skipped stitch is in back. Skip one stitch; working in front of the skipped one, knit the next stitch, but do not slip it off the needle; then knit the skipped stitch and slide them both off the needle together.

Cross 2 Front (C2F): The skipped stitch is in front. Skip one stitch; knit the next one through the back loop, working behind the skipped one, but do not slip it off the needle; then knit the skipped stitch and slide them both off the needle together.

The Little Chain is worked over a multiple of 6 stitches. To try it, cast on 10 stitches. Then work 2 set-up rows, which are not repeated.

First set-up row (right side): P2, k6, p2.

Second set-up row (wrong side): K2, p6, k2.

Row 1: P2, C2B, C2F, p2.

Row 2: K2, p6, k2.

Row 3: P2, C2F, C2B, p2.

Row 4: K2, p6, k2.

Rep Rows 1–4 for pat.

3. Bobble Diamond

Diamond patterns can be made by crossing the same front stitches with different back stitches, each time moving farther to the left or right. This Bobble Diamond builds on the techniques of the previous two patterns, with some additions: Make Bobble (MB), Cross 3 Back (C3B), Twist 2 Back (T2B) and Twist 2 Front (T2F).

Before you start, here are explanations of these added abbreviations used in the Bobble Diamond pattern.

Make Bobble (MB): Begin on the right side of the work. M3 as in the Trinity Stitch, but instead of moving on to the next stitch, turn your work around so the wrong side is facing and purl the same three stitches; then turn the work back to the right side and knit them; then back to the wrong side and purl them again. Turn back to the right side. Slip the first stitch purlwise; knit the next two stitches together (k2tog); then pass the slipped stitch over the k2tog. Bobble complete; go on to the next stitch.

Cross 3 Back (C3B): Skip two stitches; knit the next stitch, working in front of the skipped stitches, but leave it on the needle. Knit the first skipped stitch and slip it off the needle, then knit the second skipped stitch and slip both remaining stitches off the needle.

"Twist" instead of "cross" usually means one of the stitches is purled. Unless the pattern says otherwise, the knit crosses in front of the purl. Since this diamond is made of knit stitches on a purl background, as the diamond narrows some of the knits are converted to purls.

Twist 2 Back (T2B): Skip one stitch; knit the next stitch, working in front of the skipped one; purl the skipped stitch, then slip both off the needle together.

Twist 2 Front (T2F): Turn your work so the wrong side is facing and both needles are parallel and pointing to your left. Skip the first stitch; purl the next stitch, but do not slip it off the needle; turn your work back to the right side, knit the skipped stitch and slide both off the needle together. If this seems too awkward, you can slip the first stitch to a cable needle and hold it in front of your work, purl the next stitch, then knit the stitch on the cable needle. The Bobble Diamond Pattern is worked over 13 stitches. To try it, cast on 13 stitches. Then work 2 set-up rows, which are not repeated.

First set-up row (right side): P5, k3, p5.

Second set-up row: K5, p3, k5.

Here is the Bobble Diamond Pattern written out. Once you have become familiar with the pattern, you can

refer to the Bobble Diamond Pattern chart and follow it instead.

Row 1: P5, C3B, p5.

Row 2: K5, p3, k5.

Row 3: P4, C2B, k1, C2F, p4.

Row 4: K4, p5, k4.

Row 5: P3, C2B, k1, MB, k1, C2F, p3.

Row 6: K3, p7, k3.

Row 7: P2, C2B, k5, C2F, p2.

Row 8: K2, p9, k2.

Row 9: P1, C2B, k7, C2F, p1.

Row 10: K1, p11, k1.

Row 11: P1, k3, MB, k3, MB, k3, p1.

Row 12: Rep Row 10.

Row 13: P1, T2F, k7, T2B, p1.

Row 14: Rep Row 8.

Row 15: P2, T2F, k5, T2B, p2.

Row 16: Rep Row 6.

Row 17: P3, T2F, k1, MB, k1, T2B, p3.

Row 18: Rep Row 4.

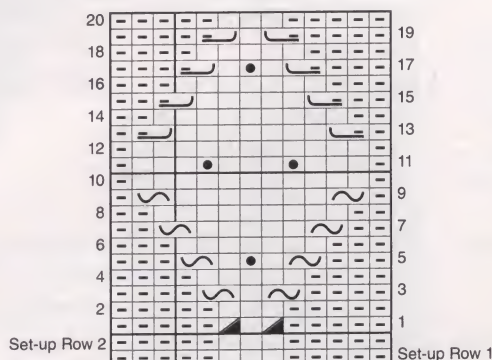

Row 19: P4, T2F, k1, T2B, p4.

Row 20: Rep Row 2.

Rep Rows 1–20 for pat.

For a neat finish, each row of the Aran Square begins and ends with a selvage stitch that makes it easier to do seaming of squares more neatly. To work selvage stitches, on right side, k1, p2, then work pattern stitches, then end row with p2, k1. On wrong side, p1, k2, work pattern stitches, then k2, p1.

By learning each stitch separately, you are now ready to put all three Aran stitches together in one beautifully textured square. ■

Pattern Stitch

Rice St (multiple of 4 sts)

Row 1 (RS): Knit across.

Row 2: *P2, k2; rep from * across.
Rep Rows 1 and 2 for pat.

These quick-knit mitts are simple in construction, with a touch of a romantic ruffle along the edge.

Special Technique

Ribbon yarn has stitching along 1 edge and square eyelets on opposite edge. To add ruffle, *insert tip of needle into a square eyelet and knit

it together with main yarn; skip 1 eyelet and rep from * for each main yarn st across row.

Right Mitt

With A, cast on 64 sts.

Note: For a smooth finished edge, join

B at beg of each Row 1 of Ruffle by folding end of B under and inserting tip of needle through first and 2nd eyelets for first st. Work row as directed to last st, cut B, leaving 3 eyelets intact; fold B under, inserting tip of needle into 2nd and last eyelets to end row.

Work [Rows 1 and 2 of Rice st] twice.

Ruffle

Row 1 (RS):

Continue in pat with A and B, work every st, picking up every other eyelet on B, and working tog with A. Cut B.

Rows 2–4: With A, work Row 2 of pat, then work [Rows 1 and 2] once.

Rows 5–12: [Rep Rows 1–4] twice more.

Tip Off

Note for working with ribbon yarn:

Hold the yarn in front of and parallel to the left needle with the eyelets at the top; insert the right needle into the eyelet and then the stitch to be knit. Draw the new stitch through both. Fold each end over twice, lining up the 3 eyelets to encase the raw edge.

Continue to work in Rice st pat with A only until mitt measures approx 3¼ inches from beg, ending with a WS row.

Shape thumbhole

Next row (RS): With A, continue in pat across first 48 sts, place rem 16 sts on holder.

Work 48 sts in pat for 1½ inches, cut yarn and place sts on holder.

Work 16 sts from first holder in established pat for 1½ inches, ending with same pat row.

Next row: Join all sts and work in pat for approx 3¼ inches from joining, ending with a WS row.

Bind off all sts kwise.

Left Mitt

Work as for right mitt to thumbhole, ending with a RS row.

Shape thumbhole

Next row (WS): With A, continue in pat across first 48 sts, place rem 16 sts on holder.

Work 48 sts in pat for 1½ inches, cut yarn and place sts on holder.

Work 16 sts from first holder in established pat for 1½ inches, ending with same pat row.

Next row: Join all sts on holder and work in pat for approx 3¼ inches from joining, ending with a WS row.

Bind off all sts kwise.

Finishing

Sew cast-on and bound-off edges of each mitt tog. ■

Special Technique

Pattern Notes

The sweater begins at the collar and is worked in the round through the yoke, after which it is split into front and back sections which are worked flat. As can be seen in the schematics, the collar is centered on the front and the yoke and body radiate out from that point in a series of wedge-shaped cable and moss-stitch panels that increase regularly

every 6th round—these increases are shown in the Short Cable/Long Cable Chart. Garment shaping at the shoulder, armhole, chest, waist and hip is created through a series of short rows and edge decreases, as described in the instructions.

The Short Cable/Long Cable Chart shows the 2 cables side by side so that you can more easily keep track of the differences between the two. Begin the chart at the first Short Cable marker, then alternate working 3 Short Cable sections (shoulder area), then 3 Long Cable sections (front or back) as indicated in the instructions, working increases on either side of each cable every 6 rounds/rows throughout. The number of stitches between the cables increases; stitches are worked in established Moss stitch. Eventually, the cables disappear and the increases are worked on either side of a single stitch.

Because the cable sections are tapering at different rates than the moss stitch panels increase, the total stitch count changes in almost every row. The chart tells you how many stitches there should be between the cables/markers at any given point. Trust your eyes as the pattern develops, and check the row count carefully at the end of each section. We recommend that you work with a row counter.

Edge stitches are worked in reverse stockinette stitch.

Collar

With larger needle, cast on 204 sts, placing markers after every 17 sts; place marker for beg of rnd and "seam line" and join without twisting.

Work 6 reps of 12-rnd Collar Cable pat, then work Rnds 1 and 2 once more.

Yoke

Rnd 1: Continuing in established cable and moss st pat, *work Short Cable section 3 times, then

High Desert Pillows

Gauge

20 sts and 24 rnds = 4 inches/
10 cm in stranded St st.
To save time, take time to
check gauge.

Special Techniques

Attached I-cord: *K2, ssk (I-cord st with edging st), slip 3 sts back to LH needle, pull yarn across back; rep from * as indicated.

Unattached I-cord: K3, slip 3 sts back to LH needle.

Pattern Notes

Yarn quantities are sufficient to make both designs.

Instructions for both pillows are the same. Select the chart as desired.

The front of the pillow is worked in stranded stockinette stitch from

a chart. The pattern is worked in the round with a steek. Upon completion the center steek stitch is cut for a flat piece. See More About Steeks for more information on securing and cutting the steek stitch to create the flat pillow front.

Front

Using provisional cast-on method, waste yarn and shorter needle, cast on 70 sts.

Rnd 1: Work Rnd 1 of desired chart. Do not turn.

Rnd 2: Using backward loop method, cast on 3 sts (steek sts), place marker for beg of rnd, cast on 4 sts (steek sts), place marker, work Rnd 2 of chart—77 sts.

Join to work in rnds.
Note: On following rnds when 2 colors are used in rnd, alternate between MC rnd and CC rnd across steek sts; on color change rnds, change colors in the middle of the steek at beg of rnd.

Rnds 3–92: Continue in pat from chart.

Rnd 93: Bind off 7 sts, work Rnd 93 of chart—70 sts.

Place rem sts onto holder.
 Secure and cut center steek st.

Edging

With longer needle and B, pick up and knit 68 sts along left side of pillow by inserting tip of needle under both legs of edge st; working across cast-on edge, remove provisional cast-on and knit across 70 sts; pick up and knit 68 sts along right side of pillow; knit across 70 sts from holder—276 sts.

Cast on 3 sts onto LH needle.
 Work Attached I-cord until 3 sts rem,

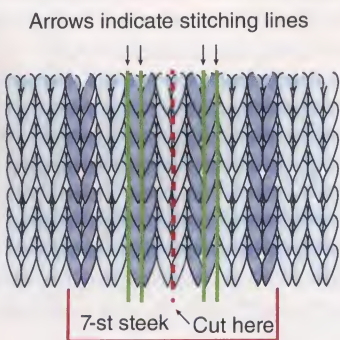

FIG. 1

working 1 rnd of Unattached I-cord at each corner.

Join rem 3 sts to beg of edging.

Assembly

Cut a 16-inch square of fabric for each pillow back. Fold ½ inch to WS along all sides and press.

With WS tog, sew back to pillow front just below the I-cord edging along 3 sides. Insert pillow form. Sew rem side.

More About Steeks

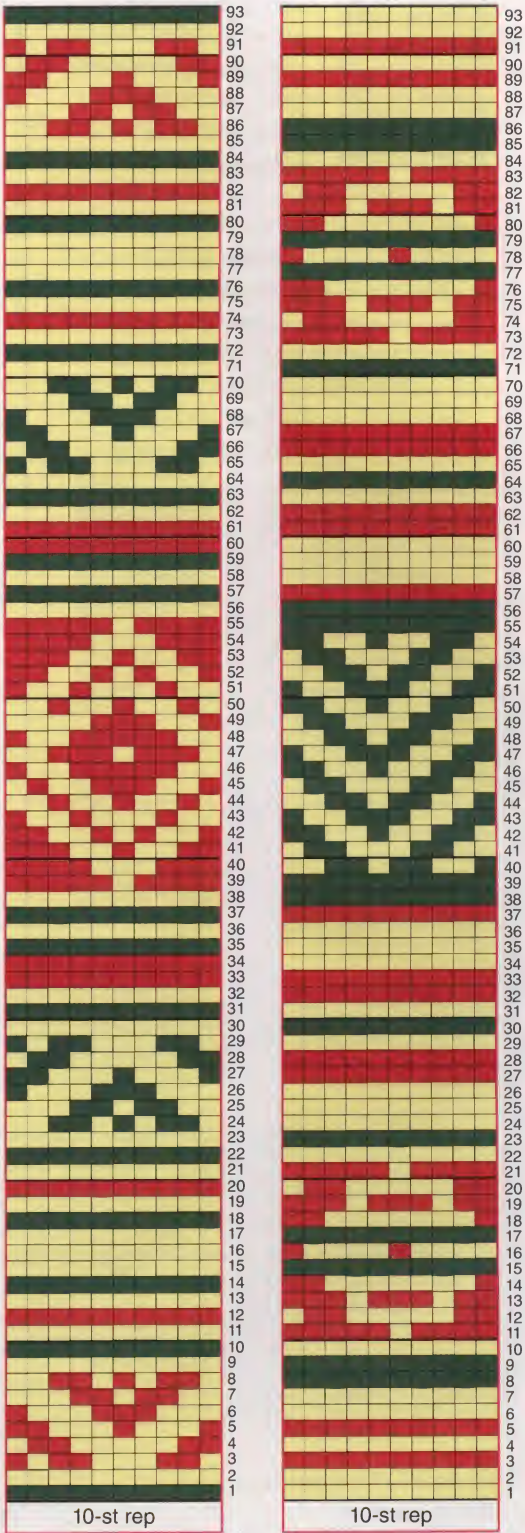

Steeking is a clever technique used in stranded color knitting which allows the knitter to work a colorwork pattern without interruptions for openings. It also eliminates the need to turn the work or purl the wrong-side rows. And, by keeping the right side of the work visible at all times, it makes it easier to observe the developing color-work design.

Steeks are created by casting on a small number of additional stitches at the point where an opening is required. These stitches are worked in a simple alternating color pattern to differentiate them from the main design stitches. Once the knitting is complete, the steek is secured with either machine or hand stitching and then cut open. Finally, stitches are picked up along the cut edges and finished with ribbing or other edging treatment as desired.

For the High Desert Pillows, seven steek stitches are cast on with a Backwards Loop cast-on at the end of the first row. Stitch markers are placed before and after the steek stitches and the knitting

is joined to knit in the round. The charted pattern is worked on the main stitches with alternating light and dark colors used on the steek stitches as shown in Figure 1. Bind

QUARTZ BOOT TOPPERS CONTINUED FROM PAGE 39

Special Techniques
Double-Needle Cast-On

Note: Top needle is working needle and lower needle is 2nd needle the same size. Use a long tail

method for cast-on, page 94.

Make slip knot on top needle. Place 2nd needle below first with the slip knot between needles. *Hold both ends of yarn in left hand, as for a long-tail cast on. With both needles, go up into loop on thumb, twist needles over and scoop forefinger yarn with top needle only, bringing both needles back through thumb loop. Don't take thumb out yet! Straighten needles and put thumb loop on lower needle. Remove thumb from loop and gently tighten to lower needle; rep from * until correct number of sts are on top needle (lower needle will have 1 less st). Place indicated number of loops from lower needle on st holder, then remove lower needle.

Pattern Notes

Topper is created by working a right-side row across all the stitches, and then a set of 4 short-rows is worked over the last 19 stitches only, creating a flounce; finally a wrong-side row is worked across all the stitches.

Slip 1 purlwise with yarn in back before a knit stitch and slip 1

purlwise with yarn in front before a purl stitch.

WINTER SPICE CONTINUED FROM PAGE 45

Gauge

17 sts and 22 rows/rnds = 4 inches/10cm in St st with 1 strand Aran weight yarn

or 2 strands DK weight yarn. 17 sts and approx 34 rows/rnds = 4 inches/10cm in garter st with 1 strand Aran weight yarn or 2 strands DK weight yarn. To save time, take time to check gauge.

Pattern Stitches

Flower Pat

Refer to chart; for each rnd, rep chart 5 times.

Garter st in rnds

*Knit 1 rnd, purl 1 rnd; rep from * for pat.

Back Motif

Beg at center back with A and dpn, cast on 10 sts, divide sts on 4 needles. Mark beg of rnd (this will be at top; use a distinctive marker) and join without twisting.

Working chart rep 5 times for each rnd, work Rnds 1–42 from chart, changing to circular needles as needed—210 sts (motif should measure 15 inches in diameter when completed).

Place a locking marker in knit st at beg of each chart rep, then place

another marker in center st between previous markers (10 markers; 1 every 21 sts).

Body

Note: Read through instructions before continuing. Body is worked as a circle, with sts bound off for armholes on 1 rnd, then cast on on next rnd. On inc rnd, inc 1 st at each marker (10 sts per rnd), working inc to left and to right of markers on alternate inc rnds. Designer suggests inc by making a yo on 1 rnd, then working it tbl on next rnd to avoid a hole.

Working with 1 strand each C and D held tog, work in garter st in rnds, inc 1 st at each marker on this

rnd and every 4th rnd until 2 (6, 10, 14) rnds of garter st have been worked—220 (230, 240, 250) sts.

Next rnd: Work 25 (27, 29, 31) sts, bind off 32 (34, 37, 40) sts for armhole, work 106 (108, 108, 108) sts, bind off 32 (34, 37, 40) sts for other armhole, work 25 (27, 29, 31) sts.

Continue to work in garter st, casting on 32 (34, 37, 40) sts at each armhole on next rnd, and continuing to inc at each marker every 4th rnd until there are 460 (500, 540, 580) sts on needle.

Change to 1 strand of B, continuing garter st and inc rnds until there are 480 (520, 560, 600) sts, ending with a purl rnd. Body should measure approx 19½ (21½, 23½, 25½) inches from center. Bind off loosely kwise.

Cuffs

With 1 strand A, cast on 48 (50, 52, 54) sts, knit 1 row.

Change to 1 strand B and work in garter st until cuff measures 7 (7, 8, 8) inches. Bind off all sts.

Sleeves

Note: Purl side is RS of sleeve.

With 1 strand each of C and D held tog, cast on 45 (47, 49, 51) sts (includes 1 edge st each side).

Work in St st until sleeve measures 1 inch.

Beg on next row, inc 1 st at each edge [every 8th (6th, 6th, 4th) row] 8 (9, 11, 13) times—61 (65, 71, 77) sts.

Work even until sleeve measures 13½ (13½, 12½, 12½) inches.

Shape cap

Bind off at beg of row *[4 sts] twice, then [2 sts] twice; rep from * until sleeve measures approx 16½ (16½, 15¾, 15¾) inches. Bind off rem sts.

Assembly

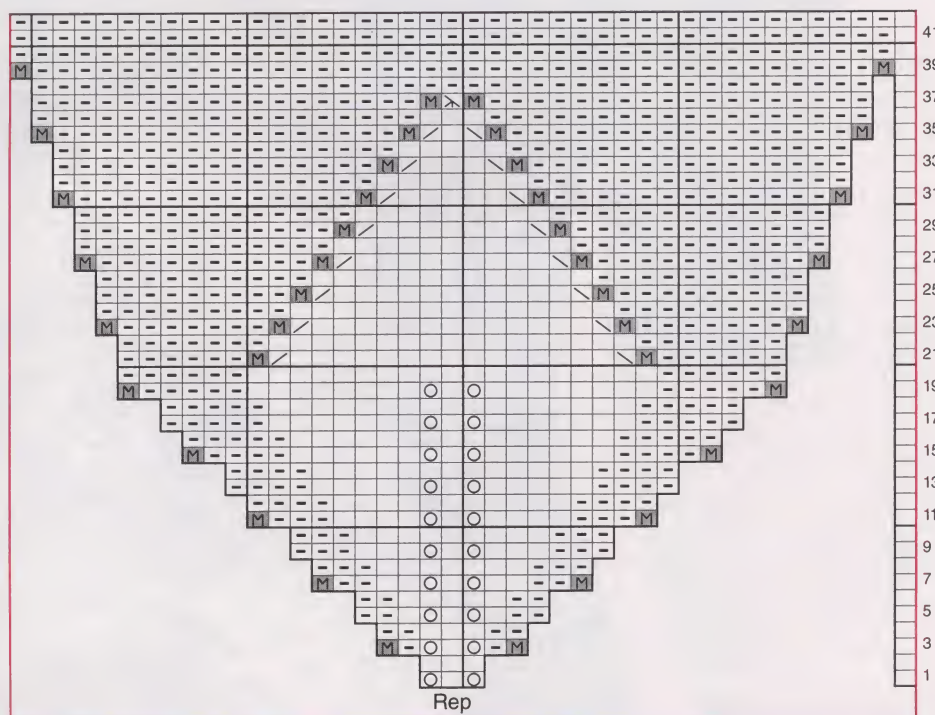

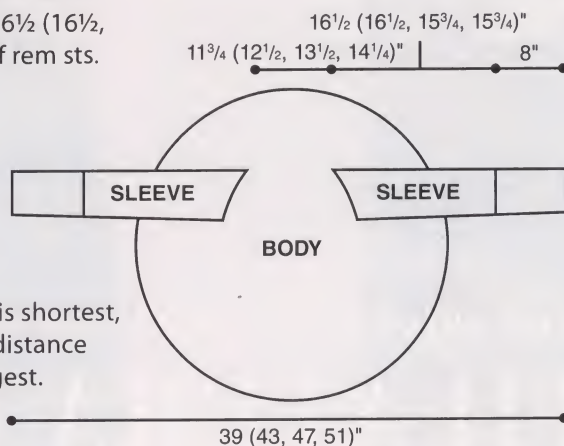

Sew sleeve seams with purl side as RS.

Sew sleeves into armholes, placing center of sleeve cap where distance between armholes is shortest, and sleeve seams where distance between armholes is longest.

With tail from cast-on, close center of flower motif.

Fold cuff so that 3 sts are overlapping at top. Sew bound-off edge of cuff to cast-on edge of sleeve, making sure overlap is on side of sleeve and that overlap is facing toward back of jacket on each sleeve. Referring to photo, sew decorative buttons through both layers of cuff, 3 on each side.

Close jacket with a shawl pin or a brooch. ■

FLOWER CIRCLE CHART

MOUNTAIN MEADOW WOOL CONTINUED FROM PAGE 38

"During the week we enjoyed the local museum and a visit to the historic TA Guest Ranch. Buffalo offered shopping in the form of art galleries and gift shops, antique and thrift stores, clothing stores and eateries. The hotel lent their new diner to us one evening for a knit night with local knitters. Later in the week, we again visited the mill for a 'day at the mill' while the mill was running and

we were truly awed by what Karen and Valerie had done!"

Like all Y2Knit Events, activities, meals and knitting projects are planned to enhance the Experience. Knitters get to relax, learn and connect with each other, taking advantage of the Y2Knit expertise and hospitality. Visit y2knit.net for information on upcoming Y2Knit Experiences. ■

off steek stitches at the beginning of the final round of the chart then complete last chart row.

Mark the center of the middle steek stitch with a contrast-color basting thread, shown by red dotted line on Figure 1. With sewing machine set for a small, straight stitch, sew two lines of stitching along the stitches on either side of the middle stitch as shown by the

green lines in Figure 1. Be careful not to catch loose strands of yarn on the back side of the steek in the sewing machine mechanism. With a pair of sharp scissors, carefully cut through the center of the middle stitch along the basting line.

Pick up stitches for attached I-cord edging by inserting knitting needle under both legs of outermost steek stitches & complete edging as described in the pattern. ■

very experienced knitters. I try my best to make all patterns accessible to knitters at any level. I know of at least one intrepid beginner who knit *Seville*, an allover lace bolero in the book, without any problem.

CK: Can you tell us a little bit about your next collection and what we can expect to see this season?

KD: Following my desire to work with more environmentally-friendly yarns, you'll see more traditional and comfortable sweaters, the sort you want to wrap yourself in against a winter chill. New accessories and cardigans will also be introduced this season, because they're so wearable and essential in any wardrobe. You'll also see a selection of new pullovers

this fall and winter as well. I'm always happier if I can wear layers of sweaters against the cold instead of a coat.

3-Needle Bind-Off

Use this technique for seaming two edges together, such as when joining a shoulder seam. Hold the edgestitches on two separate needles with right sides together.

With a third needle, knit together a stitch from the front needle with one from the back.

Repeat, knitting a stitch from the front needle with one from the back needle once more.

Slip the first stitch over the second.

Repeat knitting, a front and back pair of stitches together, then bind one off.

Working Short Rows

Wrap/Turn (W/T)

This method of working the shoulder avoids holes or a staggered bound-off edge.

Work as follows:

*Work to indicated turning point, take yarn to right side of fabric (in front on knit row, in back on purl row), slip next stitch purlwise, take yarn to wrong side of fabric (Photo A).

Turn work. Slip stitch, purlwise to right needle (Photo B).

Repeat from * until short rows are completed.

When all wraps are completed, work across row using the following method to work wrap and stitch together.

On knit side, insert tip of right needle into wrap, then into stitch and knit them together (Photo C).

On purl side, insert tip of right needle into wrap from right side, lift it onto left needle, then purl stitch and wrap together.

Provisional Cast-On

The provisional cast-on has a variety of uses. It starts with a crochet chain on a crochet hook about the same size as the knitting needle. A chart is given below of crochet hooks that correspond most closely to knitting needle sizes.

| Crochet Hook | Knitting Needle |
|--------------|-----------------|
| E | 4 |
| F | 5 |
| G | 6 |
| H | 8 |
| I | 9 |
| J | 10 |
| K | 10½ |

To work this type of cast-on, start with a crochet chain one or two stitches more than the number of stitches to be cast on for the pattern you are working. If the edge is to be decorative or removed to work in the opposite direction then the chain should be made with a contrasting color.

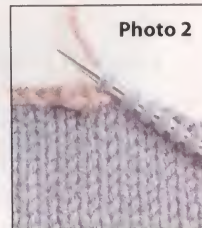

Once the chain is completed, with a knitting needle, pick up and knit in the back bar of each chain (Photo 1) until the required number of stitches is on the needle. Continue to work the pattern as given in the instructions.

Some instructions indicate that the provisional cast-on be removed so the piece can be worked in the opposite direction. In this case, hold the work with the cast-on edge at the top. Undo one loop of the crochet chain, inserting the knitting needle into the stitch below the chain. (This stitch is on the original first row of knitting.) Continue to undo the crochet chain until all the stitches are on the needle (Photo 2). This provides a row of stitches ready to work in the opposite direction.

Photo 1

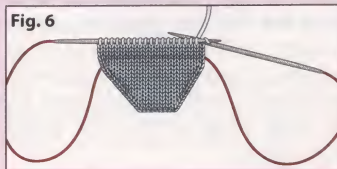

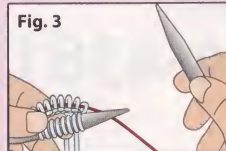

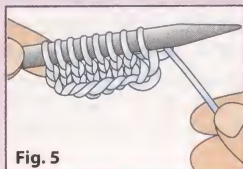

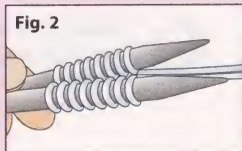

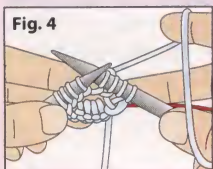

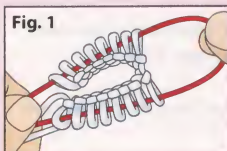

Photo 2

Magic-Loop Method

Use a circular needle at least 30 inches in length. Stitches are knit from one end of the needle to the other end while maintaining a loop of cable between one half of the stitches and the other half. When half the stitches are knit, turn work and complete the round on other half.

Long-Tail Cast-On

Leaving an end about an inch long for each stitch to be cast on, make a slip knot on the right needle.

Place the thumb and index finger of your left hand between the yarn ends with the long yarn end over your thumb, and the strand from the skein over your index finger. Close your other fingers over the strands to hold them against your palm. Spread your thumb and index fingers apart and draw the yarn into a "V."

Place the needle in front of the strand around your thumb and bring it underneath this strand. Carry the needle over and under the strand on your index finger.

Draw through loop on thumb.

Drop the loop from your thumb and draw up the strand to form a stitch on the needle.

Repeat until you have cast on the number of stitches indicated in the pattern. Remember to count the beginning slip knot as a stitch.

Cable Cast-On

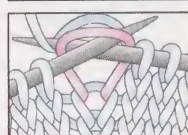

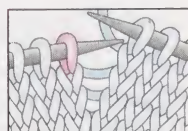

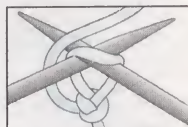

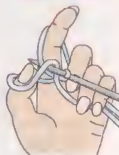

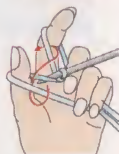

This type of cast-on is used when adding stitches in the middle or at the end of a row.

Make a slip knot on the left needle. Knit a stitch in this knot and place it on the left needle. Insert the right needle between the last two stitches on the left needle. Knit a stitch and place it on the left needle. Repeat for each stitch needed.

Knit (k)

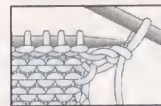

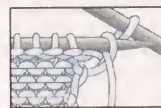

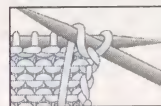

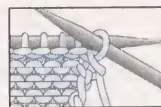

Insert tip of right needle from front to back in next stitch on left needle.

Bring yarn under and over the tip of the right needle.

Pull yarn loop through the stitch with right needle point.

Slide the stitch off the left needle. The new stitch is on the right needle.

Purl (p)

With yarn in front, insert tip of right needle from back to front through next stitch on the left needle. Bring yarn around the right needle counterclockwise. With right needle, draw yarn back through the stitch.

Slide the stitch off the left needle. The new stitch is on the right needle.

Bind-Off

Binding off (knit)

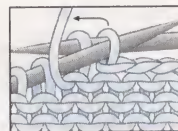

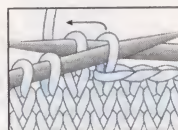

Knit first two stitches on left needle. Insert tip of left needle into first stitch worked on right needle and pull it over the second stitch and completely off the needle.

Knit the next stitch and repeat. When one stitch remains on right needle, cut yarn and draw tail through last stitch to fasten off.

Binding off (purl)

Purl first two stitches on left needle. Insert tip of left needle into first stitch worked on right needle and pull it over the second stitch and completely off the needle.

Purl the next stitch and repeat. When one stitch remains on right needle, cut yarn and draw tail through last stitch to fasten off.

Increase (inc)

Two stitches in one stitch

Increase (knit)

Knit the next stitch in the usual manner, but don't

remove the stitch from the left needle. Place right needle behind left needle and knit again into the back of the same stitch. Slip original stitch off left needle.

Increase (purl)

Purl the next stitch in the usual manner, but don't remove the stitch from the left needle. Place right needle behind left needle and purl again into the back of the same stitch. Slip original stitch off left needle.

Invisible Increase (M1)

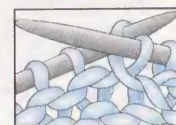

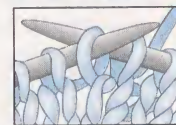

There are several ways to make or increase one stitch.

Make 1 with Left Twist (M1L)

Insert left needle from front to back under the horizontal loop between the last stitch worked and next stitch on left needle.

With right needle, knit into the back of this loop.

To make this increase on the purl side, insert left needle in same manner and purl into the back of the loop.

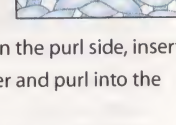

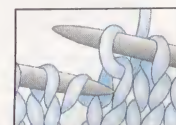

Make 1 with Right Twist (M1R)

Insert left needle from back to front under the horizontal loop between the last stitch worked and next stitch on left needle.

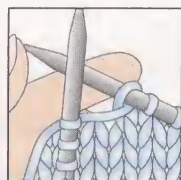

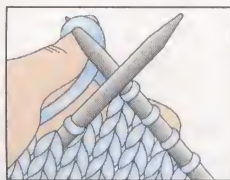

With right needle, knit into the front of this loop.

To make this increase on the purl side, insert left needle in same manner and purl into the front of the loop.

Make 1 with Backward Loop over the right needle

With your thumb, make a loop over the right needle.

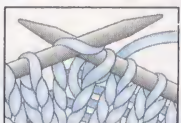

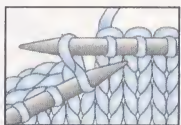

Slip the loop from your thumb onto the needle and pull to tighten.

Make 1 in top of stitch below

Insert tip of right needle into the stitch on left needle one row below.

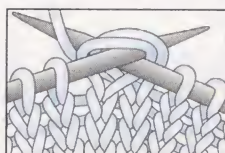

Knit this stitch, then knit the stitch on the left needle.

Decrease (dec)

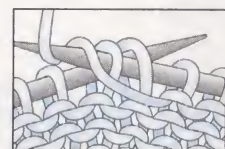

Knit 2 together (k2tog)

Put tip of right needle through next two stitches on left needle as to knit. Knit these two stitches as one.

Purl 2 together (p2tog)

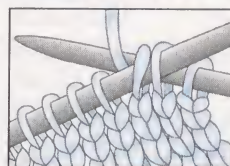

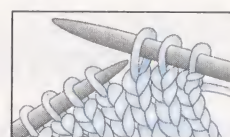

Put tip of right needle through next two stitches on left needle as to purl. Purl these two stitches as one.

Slip, Slip, Knit (ssk)

Slip next two stitches, one at a time, as if to knit from left needle to right needle.

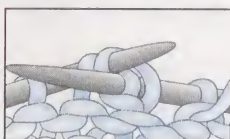

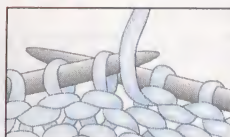

Insert left needle in front of both stitches and work off needle together.

Slip, Slip, Purl (ssp)

Slip next two stitches, one at a time, as to knit from left needle to right needle.

Slip these stitches back onto left needle keeping them twisted. Purl these two stitches together through back loops.
